Η.,	du	ıcatı	on

University of Illinois at Chicago, Chicago, Il.	4.0 grade point average	Aug. 2019
Bachelor of Science in Computer Science	Honors College Student	to
Junior standing	Member of Tau Beta Phi	May 2023
S-STEM Scholar	Member of the A.C.M.	(Predicted)

May 2016 North Central College, Naperville, Il. 4.0 grade point average to

Studied Computer Science alongside high school Lederman Scholar May 2018

Aug. 2015 Naperville Central High School, Il. 4.452 grade point average to National Honors Society member Science Olympiad Captain

Skills

Programming Languages Computer maintenance and repair Currently studying C & C++ Wireless networking analysis Experienced in Java CAD software Proficient in Python & LITEX Proficient in regular expressions Familiar with JavaScript & C# Proficient with VIM, GNUMake, Valgrind, and GDB Exploring AHK and Rockstar

Experience

G.P.I.P. Intern, University of Illinois at Chicago MakerSpace

July 2020 Planned, designed, and constructed a physical project using MakerSpace facilities to Designed sneeze guards for use in UIC offices Aug. 2020 Experimented with various additive and subtractive manufacturing techniques

Network Operations Intern, Naperville Community Unit School District 203

Led a small team to conduct a suite of wireless surveys across the district June 2019 Condensed findings into building level reports highlighting problems and providing solutions to Developed a Java application to analyze active survey data Aug. 2019 Worked closely with both hardware and software infrastructure

Golf Caddie, Naperville Country Club

Apr. 2018 Carries patrons clubs for duration of the golf round to Rakes bunkers, fills divots and other basic maintenance Present

Projects

Prior Projects

Explored the arithmetic of elliptical curves through python-enabled computation

Analyzed high sample rate (~1000 Hz.) waveform data using the OpenCSV Java library

Implemented a Spotify "helper." Managed volume, seek/skip, and liking/disliking songs through keyboard shortcuts via AutoHotKey

Prototyped "Left Click to Everything," in Unity

Current Projects

Writing a fully automated Twitch-specific IRC bot in

Assembling and experimenting with the Open Theremin V3 Arduino Shield

Creating generative art through Java applications via the Processing3 library

Additional Activities

Regular volunteer for AquaHouse Tutoring. Regular volunteer for the Naperville Public Library Amateur pianist

Amateur poet looking to eventually publish Searching for the perfect macaroni and cheese recipe
